Dear Friends:

Welcome to the 2019 county fair season!

Michigan's 86 local and county fairs have been providing family-friendly entertainment, celebrating the uniqueness of each of our communities, and showcasing the diverse bounty of Michigan agriculture for decades.

Our local and county fairs continue to play a role in moving Michigan forward by helping to reconnect consumers and communities with agri-food traditions like supporting our farmers by buying locally-grown food. It also provides a stage to highlight the next generation of food and agriculture entrepreneurs and farmers.

By supporting your local county fair - whether as an attendee or as an exhibitor - you're also contributing to the growth and economic vitality of your community. We're very proud of our area community businesses, fairgoers and families who support our young exhibitors' college educations through livestock auctions held at the county fairs.

I encourage all Michiganders to attend a local county fair as we look to grow the next crop of leaders who will help shape our future.

Sincerely,

Gary McDowell

Dear Friends,

Welcome to the 2019 fair season! Local and county fairs are a long-standing, family entertainment staple that pay homage to our rich agricultural heritage while highlighting the incredible diversity of Michigan's food and agriculture sector. Millions of Michiganders and tourists attend our local and county fairs every year. These events are wonderful opportunities to experience Pure Michigan at its finest. In fact, food and agriculture has always been an integral part of our state, and its future has never been brighter. There's a lot to be excited about in Michigan agriculture today. It's a cutting-edge industry filled with career potential, growth, and economic success. The fair season is a celebration of all that food and agriculture contributes to our great state.

I am proud of Michigan's 4-H program and the tremendous accomplishments of our FFA peers. Thanks to Michigan's local and county fairs, Michigan youth have opportunities to showcase their hard work while educating fairgoers about the state's food and agriculture industry. You won't want to miss the exhibits that put their talents on display. Our county fairs are full of local charm and agricultural traditions. This year, be sure to visit one of Michigan's local or county fairs as part of your summer family vacation plans.

Sincerely,

Gretchen Whitmer

Dear Friends,

Please join us in celebrating the 81st annual Western Michigan Fair! Established in 1936, our county has enjoyed a fair every year at its current location, with the exception of two years during WWII.

Years ago, the purpose of the county fair was to give Michigan farmers a way to come together, exchange ideas for improving yields, raising livestock and to show their best products.

Today's county fair, while offering modern displays and exhibits, reminds us of Michigan's strong agricultural traditions and heritage. This connection between past and present strengthens our community, families and Michigan's agricultural industry.

Our Youth have a unique opportunity to showcase their animals and still projects while helping to educate the public. When visiting our fair, you will see youth that are exhibiting things such as livestock, horses and poultry. This is also an opportunity for young people to learn and compete in agricultural related activities and events. Check out their work at the Youth Exhibit building as well as our adult exhibitor projects in the Town Hall, Quonset, Domestic Arts, Floriculture and Community Center.

Traditions at the county fair include great family entertainment and fair food. Don't miss out on the Grandstand Events, Elephant ears, Fresh Lemonade, French fries, Cotton Candy and so much more at this year's Western Michigan Fair!

This includes, but is not limited to, diuretics, steroids, repartitioning agents, tranquilizers and analgesics. We also certify that, with a respect to slaughter animals that no illegal use of approved chemicals/compounds has taken place and that the applicable withdrawal period recognized by the FDA has expired prior to shipping out of market livestock or any and all approved chemicals/compounds administered.

We acknowledge and accept the fact that all animals entered at the Western Michigan Fair may be subject to blood, urine, and tissue tests, and that the Fair reserves the right to disqualify any animals, either live or slaughtered, found in violation of the use of drugs, chemicals, or feed additives as described above in the Western Michigan Premium Fair Book. Disqualifications will result in the placing(s) of the animal in question being voided, the forfeiture of any and all ribbons/trophies/special awards earned with the animal(s); the assessment of a fine against the total premiums due equal in the amount to the premium(s) earned and with the animal(s); voiding the sale(s) if the animal(s) has been sold at any sale that occurs at the Western Michigan Fairgrounds. We will allow the designated tester/veterinarian to draw any and all samples deemed appropriate from our animals.

We will indemnify and hold harmless the Western Michigan Fair and all of its sponsors and assisting organizations and their employees and agents, against all legal or other proceedings in connection with said testing procedures. Proper care (feeding, handling, etc.) of the project animals and maintenance (cleanliness, neatness, etc.) of the assigned fair housing is the responsibility of the exhibitor. Project animals must be cared for in accordance with the commonly accepted feeding/handling practices, and the animals pen/stall cleaned and bedded by 10:00 AM daily and additional cleanings if needed. Furthermore, we will not direct criticism or interference with fair and livestock show management personnel, fair officials, judges and exhibitors in conducting the activities associated with the event. We understand that any conduct that is contrary to these items will be brought before the Fair Board for review and may result in the disqualification of individual people and the animal(s) from the activities associated with the Western Michigan Fair.

ETHICAL AND HUMANE TREATMENT OF ANIMALS: We acknowledge that the inhumane filling, showing and/or handling practices or devices shall not be used. Furthermore, surgery, injections, or application of a foreign material under and/or into the flesh of the animal to physiologically or physically change the natural contour or conformation of the animal is illegal. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, insertion of foreign material in the animal or other such practices (icing) are not acceptable and will be prohibited.
